As Mayor and on behalf of all members of Ajax Council, I extend sincere greetings and congratulations to all members of the Indo-Canadian Cultural Association of Durham as you celebrate India's Independence Day.

I regret that I am unable to participate in the flag raising ceremony being held on August 21<sup>st</sup>, 2010 at the City of Pickering but I would like to pass on the best wishes of the Town of Ajax for a very successful event highlighting the unique cultures of India brought to Canada and to Durham Region by your membership.

Happy India Independence Day and best wishes for continued prosperity.

Sincerely,
